CITY OF WEST SACRAMENTO

STRATEGIC PRINCIPLES

MOBILITY & CONNECTIVITY

Provide convenient and sustainable choices for people to get where they are going.

CLIMATE & ENERGY RESILIENCY

Reduce climate impact, protect our environment and energy and improve reliability.

PARKS & OPEN SPACE

Provide diverse outdoor options for recreation and community with nature at any age.

ENGAGE & LEARN

Leverage existing and new programming to support a sense of community and lifelong learning.

INCLUSIVE & DIVERSE

Effectuate equitable investment and social/environmental justice in the city and cultivate an organization that reflects our city's diversity.

HOUSING & HOMELESSNESS

Provide housing options for everyone and services for the most vulnerable members of our community.

CORE SERVICES & INFRASTRUCTURE

Sustain a financially sound city in which everyone feels safe and secure, with quality services and well-maintained infrastructure.

LOCAL ECONOMIC DEVELOPMENT

Catalyze development in riverfront and downtown areas and attract and retain businesses to maintain a strong and diverse local economy.
