REPRESENT WEST SACRAMENTO

DISTRICTING MAPPING EXERCISE

THE RULES

- Draw a single city council district or create a full four district plan.
- New districts should have a population of around 13,000-14,000
- The largest district should be no more than 1,300 people greater than the smallest district.

ABOUT THE BLOCKS

Each of these areas shows the approximate population within a particular area based on census blocks. The numbers are a rounded number based on the final census data adjusted by the State of California.

Write in the population estimates for each of your drawn districts.
